3M TRIZACK HOOKIT DISC

Trizact 3000 150mm or 75mm disks are designed for refining scratches made by abrasive grits ideal for keying the service prior application. Trizact technology ensures long life and consistent finish for paint rectification. Flexible construction ensures conformability and achieves a uniform, quality matt finish. Suitable for both machine and hand application used correctly with water and followed by compounds abrasive, scratches will not reappear. 15 discs per box
