

Looking for the right colour finish for your wood?

movac wood finishes
the solution provider

Waterbased Coatings from Sayerlack have the perfect match

Our new **Pigment System** means greater **colour choice, brighter colours** and **superior coverage**.

Bright and beautiful! Improved one and two pack high build waterbased primers provide the superb surface on which to add our range of waterbased topcoats - most of which are available with HDX scratch resistant performance.

The range provides the perfect solution for coatings applications - **domestic and contract furniture** and **shop fitting industries**.

contact **movac** now, and make your work colourful!
